

Year 3 Class Homework Grid

This grid outlines 10 different activities that your child can complete between now and May end of term.

Please remember your child should continue to read their library AR books daily, practise their spellings and practise on Times Table rockstars at least 3 times a week.

The following activities are all based on our current topic. The expectation is that one activity will be completed each week, but the activity is up to your child. Once they have completed one of the activities on the grid, they can colour it in. They may also wish to bring it into school to share with their class.

Our new topic is called 'Why so many bones?'

Research a habitat and animals which may live there e.g. the desert, rainforest, ocean etc Present your findings in a booklet.	Make and create a healthy recipe (with adult help!)	Fill in an exercise diary for one week. Try to complete different types of exercise each day.	Create a poster about your favourite animal, and what group of animals they are a part of.	Build an animal using junk modelling.
Create a dance or yoga pose inspired by an animal!	Practise your 3, 4 and 8 times tables.	Do a wildlife survey. Spend an hour outside somewhere and keep track of all the wildlife you see. Which was the most popular? Which did you see the least? Which animal were you surprised to see?	Complete this FREE 'Which bone am I?' activity. Which Bone Am I? Worksheet / Worksheet (teacher made) (twinkl.co.uk)	Create a Google Doc/ Poster about the importance of your skeleton. Use facts we have learned in science/ complete your own research on Swiggle or DK find out!
