## Spring Term Extra Curricular Clubs

Dear Parent/Carers

Attached is our Spring term overview of Extra Curricular clubs. These clubs will run throughout the Spring term commencing in the week of Monday 9<sup>th</sup> January 2022. We have worked hard to ensure a range of clubs which we can provide with our own school staff and will endeavor to secure clubs with outside providers. As soon as we are able to confirm any additional provision we will let you know.

**Please note there will be no clubs on the last week of the term - w/c 27<sup>th</sup> March**

The Arbor App will be used for registration clubs and this will be set up by Tuesday 3<sup>rd</sup> January. Each child is able to book **one** club only in the first instance. If spaces are still available, these will then be re-offered through Arbor. Commitment is a core value within Nansledan School, please only sign your child up if they are committing to the whole block of sessions.

Our afterschool clubs will embody the same expectations for behaviour and learning attitudes as our usual school day and children will be expected to show the same learning and engagement behaviours throughout.

With kind regards,

*Miss Humphrey*
