

Year 2 Class Homework Grid

This grid outlines 10 different activities that your child can complete between now and the Summer holidays.

Please remember your child should continue to: * Read daily,

- * Practise their spellings and

- * Practise on NumBots/ TTRS 3 times per week.

The following activities are all based on our current topic. The expectation is that **one** activity will be completed each week, but the activity is up to your child. Once they have completed one of the activities on the grid, they can colour it in. They may also wish to bring it into school to share with their class or upload pictures to Class Dojo.

Our new topic is called 'What lives here and why?'

<p>Complete a litter pick on the beach - Plastic Free School task.</p>	<p>Go on a bug hunt - keep a tally of what you find!</p>	<p>Make A Quiz! Challenge your family to an invertebrates and vertebrates facts and animals quiz. You could make flashcards or use Powerpoint. How good are they at identifying and classifying?</p>	<p>Create a piece of artwork inspired by the sea.</p>	<p>Practise your 2, 5 and 10 times table.</p>
<p>Research the history of Newquay harbour.</p>	<p>Learn about sea conditions and how to stay safe at sea. Can you create a poster to help others?</p>	<p>Write a story inspired by Kernow!</p>	<p>Create a song inspired by our topic.</p>	<p>Create a 3D model of the rainbow fish!</p>
