

Year 2 Class Homework Grid

This grid outlines 10 different activities that your child can complete between now and May half term

Please remember your child should continue to: * Read daily,

- * Practise their spellings and

- * Practise on NumBots/ TTRS 3 times per week.

The following activities are all based on our current topic. The expectation is that **one** activity will be completed each week, but the activity is up to your child. Once they have completed one of the activities on the grid, they can colour it in. They may also wish to bring it into school to share with their class or upload pictures to Class Dojo.

Our new topic is called 'Is it ever cold in Africa?'

| | | | | |
|--|--|---|---|--------------------------------------|
| Read about an African animal and write down 5 facts. | Find a recipe for some African food and make it with your parents or carers! | Make some African Music. | In the supermarket, find as many different foods as you can that are from Africa. Draw pictures or take photos of them and label. | Write a poem about Africa! |
| Research Zambia. Find some information about it and describe it to your family. You can use books or the internet to help you. | Make a mud hut building. Take a photo or bring it in to show us! | Research the life cycle of an African animal. | Write a fact file about a famous African person. | Research the longest river in Africa |
