

Year 3 Class Homework Grid

This grid outlines 10 different activities that your child can complete between now and April end of term.

Our new topic is called **'How can we encourage pollinators and why is this so important?'**

<p>Create a poster, encouraging others to plant flowers that promote pollinating.</p>	<p>Plant your own pollinator flowers. Bees love daisy's, sunflowers, lavender!</p>	<p>Write a paragraph explaining how pollination works for bees.</p>	<p>Create a plant or flower fact file.</p>	<p>Create your own insect house!</p>
<p>Paint or draw a picture of your favourite plant or flower.</p>	<p>Create your own miniature garden, you could make it in a box or a plant pot.</p>	<p>Create a song or rap to sing to the class about how to care for plants.</p>	<p>Visit and draw a picture of a wildlife garden. The SANG or Newquay Orchards could be a good place for this!</p>	<p>Explore nature! Perhaps you could go for a walk, to the beach or on a litter hunt as part of our continued SAS Plastic Free Schools work!</p>
